Ok, start the song....

Screaming at the window  
Watch me die another day  
Hopeless situation  
Endless price I'll have to pay

Diary of a madman  
Walk the line again today  
Entries of confusion  
Dear Diary, I'm here to say

Sanity, now it's beyond me, I will always love you  
However long I stay, I will always love you  
Whatever words I say, I will always love you  
There's no choice

Whenever I'm alone with you  
You make me feel like I'm whole again

Voices in the darkness  
Scream away my mental health  
Can I ask a question?  
To help me save me from myself

Sanity, now it's beyond me, I will always love you  
However long I stay, I will always love you  
Whatever words I say, I will always love you  
I have no choice
