

## A Perfect Circle "Orestes"

Visit "[Orestes](#)" on [MotoLyrics.com](https://MotoLyrics.com)

Metaphor for a missing moment  
Pull me into your perfect circle

One womb  
One shame  
One resolve

Liberate this will  
To release us all

Gotta cut away, clear away  
Slip away and sever this  
Umbilical residue that's  
Keeping me from killing you

And from pulling you down with me in here  
I can almost hear you scream

One more medicated peaceful moment  
Give me  
One more medicated peaceful moment

And I don't wanna feel this overwhelming  
Hostility  
I don't wanna feel this overwhelming  
Hostility

We gotta cut away, clear away  
Slip away and sever this  
Umbilical residue

Gotta cut away, clear away  
Slip away and sever this  
Umbilical residue that's  
Keeping me from killing you

Slip away and sever this  
Keeping me from killing you
