Don't be aroused
By my confession
Unless you don't give a good goddamn about
redemption
I know
Christ is coming
And so am I
You would too if the sexy devil caught your eye
She'll suck you dry
Soon you'll cry
To be back in her bosom
To do it again
She'll make you weep
And moan and cry
To be back in her bosom
To do it again
Pray - shall I go blind?
Pray - cos nobody ever survives
Praying to stay in your arms
Just until I can die a little longer
Saviors and saints
Devils and heathens alike
She'll eat you alive
Jesus is risen
It's no surprise
Even he would
Martyr his momma
To ride to hell between those thighs
The pressure is building
At the base of my spine
If I gotta sin to see her again
Then I'm gonna lie and lie and lie
She'll make you cry
I'll sell my soul
To be back in your bosom
And gladly help
Please suck me dry
And still you'll cry
To be back in her bosom
Do it again
Pray - shall I go blind?

Pray - cos nobody ever survives
Praying to stay in your arms
Just until I can die a little longer
Saviors and saints
Devils and heathens alike
She'll eat you alive
My pulse has been rising
My temples are pounding
The pressure is so overwhelming and building
So steady and fretting
I'm ready to blow
What is she? What is she? What is she waiting for?
Pray - shall I go blind?
Pray - cos nobody ever survives
Praying to stay in your arms
Just until I can die a little longer
Saviors and saints
Devils and heathens alike
She'll eat you alive
