We Built This Scene With Nothing But Heart  
Real Kids Making It Better Than It Was At The Start  
Those Who Don't Feel The Efforts Put In Those Before  
Will Be The First To Be Led Out Of The Door  
Act Without Heart, Speak Without Faith  
You Should Stay Away From Me

Some People Just Get Into It The Wrong Way  
It's Time To Put These People Back In Their Place  
We Should Fight Together For The Right Things  
Fight To Keep What We Built

Act Without Heart, Speak Without Faith  
You Should Stay Away From Me
