

A Perfect Circle "Stranger"

Cast the calming apple
Up and over satellites
To draw out the timid wild one
To convince you it's alright
And I listen for the whisper
Of your sweet insanity while I formulate
Denials of your effect on me

You're a stranger
So what do I care
You vanished today
Not the first time I hear
Or the last.

What am I to do with all this silence.

Shy away, shy away phantom
Run away terrified child
Won't you move away, you fucking tornado
I'm better off without you
Tearing my world down.
