Help me if you can.
It's just that this..
Is not the way I'm wired
So could you please help me understand
Why you're giving in to all these reckless dark desires?

You're...
Lying to yourself again.
Suicidal imbecile,
Think about it, put it on a fault line.
What'll it take to get it through to you precious?
I'm Over This. Why do you wanna throw it away like
this?
Such a mess.
Why would I want to watch you
Disconnect and self-destruct one bullet at a time.
What's your rush now?
Everyone will have his day to die.

Medicated drama queen.
Picture-perfect numb belligerence.
Narcissistic drama queen.
Craving fame and all it's decadence.

Lying through your teeth again.
Suicidal imbecile, think aboutÂ...
Put it on the fault line.
What'll it take to get it through to you precious?
I'm Over This. Why do you wanna throw it away like
this?
Such a mess.
Why would I want to watch you
Disconnect and self-destruct one bullet at a time?
What's your rush now?
Everyone will have his day to die.

They were right about you.
They were right about you.

Lying to my face again
Suicidal imbecile
Think about it, put it on a fault line

What'll it take to get it through to you precious?
I'm Over This. Why do you wanna throw it away like
this?
Such a mess.
Over this...Over this!!!

Disconnect and self-destruct one bullet at a time.
What's your hurry, everyone will have his day to die.
If you chose to pull the trigger, should your drama
prove sincere
Do it somewhere far away from here.
