Lyin' and all alone and restless, unable to loose this
image

Sleepless, unable to focus, on anything but your
surrender

Tuggin' a rhythm to the vision that's in my head
Tuggin' a beat to the sight of you lyin'

So delighted with a new understandin'
Somethin' about a little evil that makes
That unmistakable noise I was hearing
Unmistakable sound that I know so well

Spent and sighin' with a look in your eyes
Spit and sweatin' with a look on your face like
Sweet revelation, sweet surrender
Surrender, surrender, surrender

Tuggin' a rhythm to the vision that's in my head
Tuggin' a beat to the sight of you lyin'

So delighted with a new understandin'
Somethin' about a little evil that makes
That unmistakable noise I was hearing
Unmistakable sound I know so well

Spent and sighin' with a look in your eyes
Spit and sweatin' with a look on your face like
Sweet revelation, sweet surrendering
Sweet revelation, sweet

Thinkin' of you, thinkin' of you, thinkin'
Thinkin' of you, thinkin' of you, thinkin'
Thinkin' of you, thinkin' of you, thinkin'

Sweet revelation, sweet surrendering
Sweet revelation
