Threw you the obvious and you flew  
With it on your back, a name in your recollection,  
Down among a million same.  
Difficult not to feel a little bit disappointed  
And passed over  
When I've looked right through  
See you naked and oblivious  
And you  
Don't  
See  
Me. but I threw you the obvious  
Just to see if there's more behind the eyes  
Of a fallen angel,  
The eyes of a tragedy.  
Here I am expecting just a little bit  
Too much from the wounded.  
But I see  
See through it all  
See through  
See you.  
I threw you the obvious  
To see what occurs behind the eyes of a fallen angel,  
Eyes of a tragedy.  
Oh well.  
Oh well.  
Apparently nothing.  
Apparently nothing at all  
You don't (x2)  
You don't see me.  
You don't (x2)  
You don't see me.  
You don't (x2)  
You don't see me.  
You don't see me at all
