Disappear
Disappear
Higher
Higher
Into the air
Slowly disappear
No, no longer here

Disappear
Disappear
Thinner, thinner
Into the air

Never really here
What that never
Like a thought brushing up against a sigh

Floating away
Floating away *[repeated]*

Vanishing like a cyan sunday
Disappear
Disappear
Vanish, vanish into the air
Slowly disappear
Never really here

Floating away
Floating away *[repeated]*
