Tilling my own grave to keep me level  
Jam another dragon down the hole  
Digging to the rhythm and the echo of a solitary siren  
One that pushes me along and leaves me so  
Desperate and Ravenous  
I'm so weak and powerless over you  
Someone feed the monkey while I dig in search of  
China  
White as Dracula as I approach the bottom  
Desperate and Ravenous  
I'm so weak and powerless over you  
Little angel go away  
Come again some other day  
The devil has my ear today  
I'll never hear a word you say  
He promised I would find a little solace  
And some peace of mind  
Whatever, just as long as I don't feel so  
Desperate and Ravenous  
I'm so weak and powerless over you  
Desperate and Ravenous  
I'm so weak and powerless  
Over you
