Tilling my own grave to keep me level
Jam another dragon down the hole
Diggin' to rhythm and the echo of a solitary siren
One that pushes me along and leaves me so...

Desperate and ravenous
I'm so weak and powerless over you

Someone feed the monkey while I dig in search of
China
White as Dracula as I approach the bottle

Desperate and ravenous
I'm so weak and powerless over you

Little angel go away
Come again some other day
The devil has my ear today
I'll never hear a word you say
He promised I would find a little solace and some
peace of mind
Whatever just as long as I don't feel so...

Desperate and ravenous
I'm so weak and powerless over you
