[Intro]

You like this

You are now witnessing the {{shit}} in the world

I can't think of nothing else to say

Christina Milian

Cool & Dre

Come on

[Christina Milian]

I got the urge to scream out

Pull out your purse, let's be out

And I don't know about you

But I'ma get it poppin like I'm suppose to do

Don't hold your breath, girls breathe out

Sweat out your perm, pull your weave out

And tell the world it's time

That we got love, heard we gon scream about

[Chorus]

I'ma make it happen, I'ma make a way

If you got something to prove and you feel the same  
way

Say I-I-I-I-I-I! I-I-I-I-I-I-I-I!

I'ma keep it gangsta, I'ma make it hot

If you feeling like I do, ten people throw your hands up

And say I-I-I-I-I-I! I-I-I-I-I-I-I-I!

[Christina Milian]

You wanna dance then get down

You tryna hill then sit down

Do what you want to do

Don't let nobody tell you what you're suppose to do

You wanna go and keep grinding

Try to jook the feds, and you ain't tryna do no time then

I know you feel it's rough

And if you with me people, let me see your hands up  
and say

[Chorus]

[Young Jeezy over chorus]  
Yeah, yall heard the lady (Ha ha)

[Young Jeezy]  
My nephew getting older and he starting to talk  
Now my moms got sick and she can't walk  
No high school diploma but I know math  
Ain't write one song but she still want half  
Dead beat dad is what the media would say  
Best father in the world, that's what my son would say  
Won't stop till you broke, that's what his moms would say  
But hey, them are types of games she play  
The media talk so bad about me  
But the streets'll do so bad without me  
Can't ban the snowman  
This is Thug Motivation, just part of the program  
YEAHHHHHHHHHH, The first day of class  
And all you gotta do is stack cash to pass  
Don't mind me, I'm just thinking out loud (Heeeyyy)  
Purple {{haze}} got my head in the cloud

[Christina Milian]  
Get into it, let's just face it  
We can do it if we try (We can make it if we try, make it if we try)  
Ain't nothing to it, let's just take it  
We can make it if we try (Say Ohhhhhhhh)  
Let's just do it, we can make i  
I know we'll make it if we try (Say Ohhhhhhhh)

[Chorus]

[Christina Milian]  
Get into it, let's just face it  
We can do it if we try (Try try)  
Ain't nothing to it, let's just take it  
We can make it if we try (Try try)

[Chorus till fade]
