Christina Milian feat. Ja Rule

Get Away
And I've been thinking
We should get together
And I know you got somebody
And I do too
But I got one question
Can you get away?

Christina: I've been looking to get away from him.
Ja Rule: I've been looking to get away from her.
Both: We gots to find a way, babe.
Ja Rule: I've been lookin to get away
Both: since I found you.

Christina:
Say whatever it is you need to say,
'Cause I'm thinkin about headin' my way
This relationship is gettin crazy, lately, lately, lately
I been feelin' this way from back when
And now it's time I turned you in
Maybe now, baby we can be friends
(baby baby baby)

Chorus:
Christina: I've been looking to get away from him.
Ja Rule: I've been looking to get away from her.
Both: We gots to find a way, babe.
Ja Rule: I've been lookin to get away
Both: since I found you.
Ja Rule: I've been looking to get away from her
I've been looking to get away from him
We gots to run away, babe.
Both: I've been lookin to get away since I found you.

Ja Rule:
Can you get away, get out tonight?
Meet me up at the club MaMa
Can you get away, get out tonight?
'Cause I'm free, baby

Can you get away, get out tonight?
Meet me up at the club MaMa
Can you get away, get out tonight?
'Cause I'm free, baby

Christina: Well what about my career, my man, my life?
Ja Rule: Baby, I give you me, myself, and I
And if you would get with me
There would be no more pain love
Christina: Come on boy and love me love me love me
The rule is changin
I know, I know men play games
I wanna know are you the same
Ja Rule: Take a chance girl and love me love me love me

(Chorus)

Ja Rule:
Can you get away, get out tonight?
Meet me up at the club MaMa
Can you get away, get out tonight?
'Cause I'm free, baby
Can you get away, get out tonight?
Meet me up at the club MaMa
Can you get away, get out tonight?
'Cause I'm free, baby

I'm not yo' man, so I'm feelin' like a one night stand
Might be convenient for the both
I know you feel me

Christina:
Well, come on let's do this
No thought to it, let's give our love a chance

Ja Rule:
Cause when you lovin' me
Kiss, hug, in love with me
I try to get it where you can't get enough of me
Baby girl I just wanna be free
(well come on boy and love me love me love me)

(Chorus)

Ja Rule:
Can you get away, get out tonight?
Meet me up at the club MaMa
Can you get away, get out tonight?
'Cause I'm free, baby
Can you get away, get out tonight?

Meet me up at the club MaMa
Can you get away, get out tonight?
'Cause I'm free, baby

Spoken:
Ah, there it is.
