Tonight your window will be my front door  
And you'll be begging me for more  
When I'm leaving...

I'll climb in through your window frame  
In it's wood engrave my name  
Leave the exact same way...

Is there nothing left to say?  
Is it better, is it better off this way?  
I'll never know tonight I'm leaving

Soon You'll See  
What it's like to be  
... feel so incomplete

Is there nothing left to say?  
Is it better, is it better off this way?  
I'll never know tonight I'm leaving

Tonight... I'm Leaving...

We're saying goodbye, leaving tonight  
Saying goodbye

I DON'T KNOW WHY I'D WAIT SO LONG TONIGHT I'LL  
SAY GOODBYE!!!

... goodbye
