Girl I'm going crazy, 'cause I can't get you off my mind
Seems like the only thing that I think about - ohoh - well
is you all the time

I have no words to express the way I feel about you
I've found my heart's desire ? baby it's you
You give me everything that I want, you give me more
than I need

What is a guy to give a girl who seems to have
everything

Too much time is never enough time to be spent with
you

Oh yes, oh yes, oh yes it's true

[Chorus]

You're no ordinary girl, yeah you always speak your
mind

You're no ordinary girl, yeah you're one of a kind
You're no ordinary girl, yeah well I can see it in your
eyes

You're no ordinary girl, yeah oh yes that's right
I've been around you for sometime and yes I've seen
some things

But nothing even comes close to the love that you bring
You know exactly who you are, you know just who you
wanna be

Oh I can't believe this love what is happening to me?

[Pre chorus]

So much fear to face to get me where I am
It's clear for me to see that this was never my plan
But here we are now girl, just me and you
I'm loving every minute that I spend with you whoa
yeah yeah yeah!
