I can see it.
I can feel it.
I can smell your fear in the air.
Can you feel it?
Can you see it?
Can you feel your heart beating faster?
Life as you know it is over and this will be the death of
your perfect life, of your hidden lies.
What will you do when they know you?
What will you do when they see the truth?
What will you say to those that loved you?
You could'nt stop this if you tried.
I can see it.
I can feel it.
I can smell your fear in the air.
Can you feel it?
Can you see it?
Can you feel your heart beating faster?
Let this be a true testament of who you really are and
what you've done.
Life as you know it is over and this will be your death.
You could'nt stop this if you tried.
