Come on Come on Come on Come one
Come on girl let's Goooo

[Kanye West:]

Hey baby

[Chorus:]

Am I crazy

Or was u giving me the eye (the eye)

You said maybe (yea)

Well you crazy

Because I know I'm too fly

I already know I'm too fly (too fly) [x3]

Yeah I know what cha like.

[Common:]

Like now I'm off the wine (wine)

And we can take our time (time)

So much I want to I wants to fronts spilled the bump
when we grind

My uh in is ya body

My uh is in ya mind

Check my dictionary

That ass is so divine

It slippery when it's wet girl

I can read the signs

I knocked and I knocked (uh) can I come inside

I knocked and I knocked girl can I come inside

I feel like it's home when I'm in between ya thighs

It's the joy, and the pain, and the bites and the brain

What make it feel so good

That type of stuff u can't explain

I do what I do to do to make it rain

U got the invite tonight

And I'm so glad ya came

Cause you the type that danger we gain in yo

Mic check like the way I begin my show

Girl I come from chi-ca-so N I go

Turn around it's about to be a TKO

[Chorus]

Some call me COM (COM)
Some call me the red (RED)
U can call me daddy, I'm a put ya to bed
And I can tight her serdumption
And it gotta be fed
Her sexual eruption got ya hitting ya head
On the board
And knock and screaming, oh lord
We exchange like students cause I student a broad
And listen to ya body and low key partin'
And I keep pushing and pushing
U bout to volley em' up
We the type to make lovin and we up
We take a ride down south cause u need to re-up
Girl u call me big bank like I was saving it up
I'm the doctor I can hold it till my patients is up

I make, I make I make it hot baby
I know I know I know just stop baby

When we do it like we don't want it to end
It's 3PM we gon do it again.

[Chorus]

[x2:]
Come on girl let's go
To punch the lands unknown
We can fly on air
Jobs is everywhere for u and me

[Chorus]
