Well, It's one for the money, two for the show, it makes
no difference where I go, push
Injectors in my skin, to make my mission being,
Needles to fly, needlefeast, Needles to die,
Needlefeast, Gotta get inside, Gotta get inside,
Needles to die, Needles to fly Burning up
My hunger lay it all to rest! Waking up my hostile pain,
put it to the test, When all is
Said and done I tell you I'm the one, The one to reign
supreme, I'm like a brick wall, I'm
A solid player and I'm standing tall, Who can make me
fall, On this very road... Needles
To fly, needlefeast, needles to die, needlefeast, gotta
get inside, gotta get inside,
Needles to die, needles to fly! FLY! FLY! FLY! FLY!

Chorus

This life I cannot face it, with the writings on the wall,
this time it's hard to face it
As I'm screaming - What am I doing here!

I bite the days like a suction pump, Another breath,
another punch, It makes me catch my
Breath, Needles to fly, needlefeast, needles to die,
needlefeast, gotta get inside, gotta
Get inside, needles to die, needles to fly! FLY! FLY!
FLY! FLY!

Chorus

Before you steal my breath away I like to know if I was
led astray, neurosis comes to me
At night, It holds the truth cause I'm... one for the
money, two for the show, Straight to
Hell is where I go! one for the money, two for the show,
Straight to hell is where I
Go! one for the money, two for the show, Straight to
hell is where I go! GO! GO! GO!
GO! GO!

Chorus

This life I cannot face it, with the writings on the wall,

this time - it's hard to face it
As I'm screaming - What am I doing here! ? (repeat)
