The Goat chewed up

Once a tin can

The Goat shat out

was a Ford Sedan

Like an eyeball

Like a square cut

Like a funny car

Like a monster truck

Call up bop and I'm bunting stomach

Koko mop I chop chunking plummet

Thud on top, I ate the Chocodile

And ever since then, I got disseminated

The Jupiter Moon, I got disseminated

The Average Man, I got disseminated

It's a self-fulfilling prophecy

Toots Hibbert

At the wrong prom

Serves a beat down

On a tom tom

Like Genius

Like Dervin

Like Joseph

Like Jason.
