Move aside

and let the man go through

let the man go through

If I stole

Somebody else's wave

To fly up.

If I rose

Up with the avenue

Behind me.

Some kind of verb.

Some kind of moving thing.

Something unseen.

Some hand is motioning

to rise, to rise, to rise.

Too fat, fat you must cut lean.

You got to take the elevator to the mezzanine,

Chump, change, and it's on, Super bon bon

Super bon bon, Super bon bon.

And by

The phone

I live

In fear

Sheer Chance

Will draw

You in

To here.

Too fat, fat you must cut lean.

You got to take the elevator to the mezzanine,

Chump, change, and it's on, Super bon bon

Super bon bon, Super bon bon
