I think I'm in love with you  
You've helped me stopped screaming  
You've made me start dreaming  
There's nothing that I can't do  
'Cause anything's possible  
With you...

Now I can amount to so much more  
You're the one who opened up the door  
Opened up my eyes  
And I won't waste another day  
I won't comprimise...  
The new sound of me today

I think that I should show you  
What it feels like to know you  
What it feels like to love you!  
But what am I supposed to do?  
It's hard to explain these things  
With you...

Now I can amount to so much more  
You're the one who opened up the door  
Opened up my eyes  
And I won't waste another day  
I won't comprimise...  
The new sound of me today

Now I will show you  
What it feels like to know you  
What it feels like to love you!  
I know what I'm supposed to do  
I'm able to explain these things  
With you now!

Now I can amount to so much more  
You're the one who opened up the door  
Opened up my eyes  
And I won't waste another day  
I won't comprimise...  
The new sound of me today
