One last kiss, woh-woh-woh, one last kiss

Oh, one last kiss, oh baby, one last kiss  
It never felt like this, oh baby, not like this  
You know I need your love, oh-oh-oh  
Give me one last ki-iss  
One last kiss

Oh, one more time, oh baby, one more time  
You make me feel sublime, oh baby, you're so fine  
You know I need your love, oh-oh-oh  
Give me one last ki-iss  
One last kiss

Woh-woh-woh  
Darling it isn't right  
Why must we say goodnight  
Don't let me go like thi-is  
Baby I need you so  
But if I have to go  
Just give me one last ki-iss

Oh, one last kiss, oh baby, one last kiss  
It never felt like this, oh baby, not like this  
You know I need your love, oh-oh-oh  
Give me one last ki-iss

Darling it isn't right  
Why must we say goodnight  
Don't let me go like thi-is  
Baby I need you so  
But if I have to go  
Just give me one last ki-iss

Oh, one last kiss, oh baby, one last kiss  
It never felt like this, oh baby, not like this  
You know I need your love, oh-oh-oh  
Give me one last ki-iss  
(One last kiss - one last kiss - one last kiss) [fade]
