Baby, baby why can't you sit still?
Who killed that bird out on your window sill?
Are you the reason that he broke his back?
Did I see you laugh about that?
If I come on like a dream?
Would you let me show you what I mean?
If you let me come inside?
Will you let it glide?
Can I have some remedy?
Remedy for me please.
Cause if I had some remedy
I'd take enough to please me.
Baby, baby why did you dye your hair?
Why you always keeping with your mother's dare?
Baby why's who's who, who knows you too?
Did the other children scold on you
