"She Talks To Angels"

Visit "[She Talks To Angels](#)" on MotoLyrics.com

She never mentions the word addiction

In certain company

Yes, she'll tell you she's an orphan

After you meet her family

She paints her eyes as black as night now

She pulls those shades down tight

She gives a smile when the pain comes

The pain gonna' make everything alright

Says she talks to angels

They call her out by her name

Oh yeah, she talks to angels

Says they call her out by her name

She keeps a lock of hair in her pocket

She wears a cross around her neck

Yes the hair is from a little boy

And the cross from someone she has not met

Not yet

(Repeat Chorus)

She don't know no lovers

None that I've ever seen

And to her that means nothing

But to me it means, means everything

(Repeat second verse)

(Repeat Chorus
