Wake me when the day breaks  
show me how the sun shines  
tell me 'bout your heartache, who could be so unkind  
do you dream to touch me?  
and smile down deep inside...  
or could you just kill me?  
hey..it's hard to make up your mind sometimes  
my angels, my devils...thorn in my pride  
my angels, my devils...thorn in my pride  
are you wanting inspiration?  
you spill your secrets on me  
then you tell me with a whisper..of things that will never  
be  
do you hear me breathing?  
does it make you want to scream..  
did you ever like a bad dream?  
yeah...sometimes life is obscene  
my angels, my devils, thorn in my pride (X4)  
lover, cover me with your sleep  
let your love light shine, let it shine  
lover, cover me with a good dream

oh let your love light...let your love light shine

oh oh....

all I wanna know...do you ever want to let it shine

do you ever want to let it shine

your love light...your love light...now listen

lover, cover me with your sleep

let your love light shine, let it shine...(repeat
