The sky was blue yesterday, but today,  
It's turned to the darkest shade of grey.  
Oh, oh, oh I walk the streets of a  
European ghost town.

When will we, be assured? I feel so  
Empty. When will we be understood?  
Somethings broken here. It's gotta be.

I don't want to live my life thinking and  
Pacing. I don't want to say goodbye to  
All feeling. Oh, oh, oh. Oh, oh, oh.

Once people talked amongst these  
Markets. But now, the cobblestone is  
All alone. Oh, oh, oh, these fires have  
Burned to a few embers.

I don't want to live my life thinking and  
Pacing. I don't want to say goodbye to  
All feeling. Oh, oh, oh. Oh, oh, oh.

We could rebuild this city without a  
Heart. This isn't hopeless. City  
Without a heart. After all that's gone  
Wrong, City without a heart, I'm  
Stronger than a bunch of  
Bombs, City without a heart. These  
Were our dreams once,  
What looks like piles of ashes. The fires  
Of destruction burn hot. But not as hot  
As my passions.

I don't want to live my life thinking and  
Pacing. I don't want to say goodbye to  
All feeling. Oh, oh, oh. Oh, oh, oh.

I don't want to give up now. We've  
Come so far. You can't do this alone,  
I don't care who you are.  
Oh, oh, oh. Oh, oh, oh.

Resurrect these buildings, let the  
Melodies ring. Set the captives free,  
Set the captives free. We could rebuild  
This city without a heart. We could  
Rebuild this city without a heart
