Im'a be ya playa for life, Cuban Link, CLK, yeah, Im'a be

It's plain to see, u can't change me, cuz Im'a be ya
playa for life,
Yo it's plain and see u change me.....

hey excuse me miss, hey u prolly used to this
yo mami ur the bomb &ur; fuse is lit,
hey im coola den the fonz cuz im smooth and swift
take the pullup to ur prom in the brand new six

im old school, i use the charm to seduce the chicks
u introduce me to ur moms, cuz ur fued ur pick
ur like bonita apple on some exclusive shit
waiting for you, to put me on becuz i refuse to quit
and the truth is u make a nigga lose his grip
cuz i cant just resist the way u move those hips
the way u walk and talk with those beautiful lips
got in new york training the thought and think u the shit
a suitable fit, u even keep ur cutacles clicked
fully equipped, heavy duty boo, ur trully a gift
u a cutie with a mind, not a groupie or trik
rich and beauty, cuz u shine without jewelry or chips

[Mya]

Please be my sugar daddy, i want chu' to rule the world
fly and tastes like candy, can i be ur sugar girl
just put some ice around my pinky ring
and fly me around the world
i owe it so my sugar daddy..and i'll be your sugar

Mami u sweet like lyricalrish, deep and articulic
Baby u look delicious from ur feet to ur fingertips
Unique and conspicuous, plus ur body's ridiculous
make me wanna like my lips where u ticklish
picture this, Lamborghini's, Mansions, and yot's
trips to Tahiti, instead of standing on the block
baby i can be your genie and grant u them rocks
ice up your watch, freeze those hands on ur glock

we can dance til' we drop, in the sands of the Trop
romance is so hot, u'll catch a tan on the spot
edge u the spot, and make u say "aint no nigga like the
one i got"

[Mya]

Yo baby, i'm a thug and player by blood
We can play in the tub, and play with the bubbles while
i'm rubbin' ur butt
huggin' u tight, like i'm puffin the mike, lovin' u right
light up the candlelights, becuz we crushin' 2night
it's such a sight, touch the way u like it, hush and feel a
tight grip
i'm the type that will work the night shift
this kid will make u scream his name out
so let the pain out, once i hopped in the train, i never
came out
the same while, the individual from the playhouse
stayed out at the bar and drank out
i'm straight out the players club, rockin' gators with
leather gloves
playin tough and showin ladies love
i'm way above average, i know u love Paris, but we can
ride our horse and carriage
through the bronx traffic, 24 Karatz Cuban Link
i'll do my thing, and if u can bring it and hang, bang
bang...
