Talking)

It's time it's time uh one two

Ha yall here me? New york city

Is ya with me? Right one one

Check two check me out ha watch it yo

Imagine me imagine you

Imagine kids possibly two

Maybe three imagine you and i loungin in the tropics

Bounded by clever topics but never discussin my profits

Imagine the tone of my voice making you moist

How you feel about that

Aint no doubt about that

These things could be real things

According to, how you, feel about you and i hear me out now

I ain't your average

But indeed about my cabbages

Let's keep it simple,you with me our what?

I mean is ya feeling me?

Are you hearing me?

Whats the point in talkin if you dont listen

Water,i shine, im glistening

But im missing a lady like you, someone to hold me
down

Trust me you ain't had nobody like me,

They can't touch me, you ain't had none of that so
imagine that.

(chorus)

Something about that thang,

That thang that you do,

Keeps me running back,

Running to you baby i cant imagine

Being without ya cant live without ya baby

Yo shorty you dont want no drama with me

Its heavy and these chicks is steadily fondling me

Diggie shot callin,

And im so tired of ballin

But i've been doing that these kids is new to that

Come inside my crib all you see is platinum plaques

Keep the gold ones in the back cause i'm ashamed of
that

Now i lounge in the sticks dime piece on my hip

And i've been doing that since big stuff in eighty six

Something about you really turned me on and i can't
figure you out

Cause everyday im thinking about diggin you out,
whats that about?

I got visions of turning you out

Now i ain't like mike im simply just dwight arington

myers

Got a grip like pliers keep my name of the wires cause
my crew is high flyers

And i got more ice and more cream than bryers you
wanna try us?

(chorus)

Something about that thang,

That thang that you do,

Keeps me running back,

Running to you baby i cant imagine

Being without ya cant live without ya baby

Have you ever been treated correctly huh?

You should be glad you connected with d, baby you
ready?

Imagine this henesy, coat back, drop top,

You and me, one on one buckwildin non-stop

Flourish you with jew-ell rings real-ly

If you tell me that you do love me sincerely

Take the american express and go shopping

Put your coochie in gucci cause we ball in the night

Call your girls tell them that your flowing with water

And it's sickening cause this tricking is really out of
order

I'll make you fingers glimmer, ill make your entire attire
better

All up in ya liver,make your body quiver

Heav digga damn that, gon be the same nigga you
understand that?

My main intent, is to pay your rent

And imma keep you satisfied, until the day i die alright

(chorus 2.5x)

Something about that thang,

That thang that you do,

Keeps me running back,

Running to you baby i cant imagine

Being without ya cant live without ya baby
