I think she's really neat  
Her house is made of sweets  
She's got a lovely face  
She's really ace  
Her magic ways have had me blinded for days

She wears fantastic belts  
When she gets wet she melts  
I want our love to grow  
Deep down I know that no means no  
But I'm not ready to go

She gets me down 'cos she won't drown

Because she's a witch, she's a witch  
She's a wonderful witch  
And she makes my heart glitch  
And there has never been a time I felt so fine  
But she'll never be mine

She's a witch, she's a witch  
She's so good at quidditch  
But she switches my switch  
And I am filled with such intrigue that I'm fatigued  
That girl is out of my league

She's beautiful as well  
She put me under her spell  
I put her under my house  
You'll find her hard to meet and greet  
Unless you speak to her feet

And she's so cute I could die  
She trained her monkeys to fly  
I probably should have tried to find the time  
To ask her why she trained her monkeys to fly

Yet I believe we're meant to be  
I'm for her and she's for me  
I ask myself why I won't learn  
I feel there's sparks but she won't burn

Because she's a witch, she's a witch  
She's a wonderful witch  
And she makes my heart glitch  
And there has never been a time I felt so fine  
But she'll never be mine

She's a witch, she's a witch  
She's so good at quidditch  
But she switches my switch  
And I am filled with such intrigue that I'm fatigued  
That girl is out of my league

She's in league with satan!
