i saw a dried up river and a rich man turning on a
garden hose,
i see a young man picking up a gun i guess that's
where the money goes (yeah),
am i jus as good as a bad man sleeping when the rest
are dying
or am i jus as bad as a good man saying theres no use
of trying

Oooo tell me do you still believe
Oooo everything that you read
till we learn to get together and see who we really are

aint nothing gonna change
aint nothing gonna change
if nobodys gonna wake up and start asking who's in
charge

aint nothing gonna change
aint nothing gonna change
aint nothing gonna change

nanananana (yeah)

(rap)
aint shit changing but diapers on babies
get higher than the background singers singing
(naanaanaanaa) singing (nananana)
ok singing

some people do it all for money & some do it all for
their love
some do it all for the glory cuz nothing else they're
thinking of
i saw a man in a four door truck complaining that the
price was high
like a welfare man with a spoon in his hand saying who
ate all the
apple pie (yeah)

Oooo tell me do you still believe

Oooo everything that you read
till we learn to get together and see who we really are

aint nothing gonna change
aint nothing gonna change
if nobodys gonna wake up and start asking who's in
charge

aint nothing gonna change
aint nothing gonna change
aint nothing gonna change

nanananana (yeah)

(rap)
so i ain't ready to listen im never gunna listen
most follow intuition while they wishing it would work
and my vision isnt perfect so i will never learn for it
dont wish for some change like a church worker
hallelujah preacher i am not influenced
if i dont donate to your movement am i not improving
and while the poor kill the poor
for a piece, a portion of american society
? i get high the munchies i got
so down with this
i got some girl looking at you cuz my rents kissing
(mwah)
n i aint ready to wait when there's dollars on the brain
Why would you expect change

till we learn to get together and see who we really are

aint nothing gonna change
aint nothing gonna change
if nobodys gonna wake up and start asking who's in
charge

aint nothing gonna change
aint nothing gonna change
aint nothing gonna change no no

(rap)
aint shit changing but diapers on babies
get higher than the background singers singing
(naanaanaanaa)
singing (nananana)
