"Beautiful Day"

So how are you, today?
It sure is wonderful to see you smile,
Come on now we're wasting time,
It's a beautiful day.

Do, do, do, do, do, do, do, do, do, do
Do, do, do, do, do, do, do, do, do, do, do, do, do, do

The little birds are marching away,
Begging for you to come out and stay,
So come on now, we're wasting the day,
It's a beautiful day.

Do, do, do, do, do, do, do, do, do, do
Do, do, do, do, do, do, do, do, do, do, do, do, do, do

I think maybe I will take the mountainside,
I was hoping you would come along,
The little birds are marching away,
To their marching song.

Do, do, do, do, do, do, do, do, do, do
Do, do, do, do, do, do, do, do, do, do
Do, do, do, do, do, do, do, do, do, do
Do, do, do, do, do, do, do, do, do, do, do, do, do, do
