Ever since the day,  
You walked into my life,  
Can't get you off my mind

Ever since the day,  
You walked into my life,  
Can't get you off my mind

Never had a man that treated me like the way you do  
Boy, your love is so good  
Got a feeling that this love is gonna last so long  
Unless you do me wrong

When you want it,  
I'll be right there for you  
When you need it,  
There's nothing I won't do

'Cause when I want it,  
You'll always there for me  
When I need it,  
Satisfaction guaranteed

True love is hard to find

Ever since the day,  
You walked into my life,  
Can't get you off my mind

Ever since the day,  
You walked into my life,  
Can't get you off my mind

Though we are, so many miles away  
I'm keeping my lovin' warm, for the man who's strong  
And when I get you in my arms,  
There'll be nothing in this world, that could tear us  
apart

When you want it,  
I'll be right there for you

When you need it,  
There's nothing I won't do, boy

'Cause when I want it,  
You'll always there for me  
When I need it,  
Satisfaction guaranteed

True love is hard to find

Ever since the day,  
You walked into my life,  
Can't get you off my mind

Ever since the day,  
You walked into my life,  
Can't get you off my mind

Ever since the day,  
You walked into my life,  
Can't get you off my mind

Ever since the day,  
You walked into my life,  
Can't get you off my mind

Can't get you off my mind  
Can't get you off my mind

Ever since the day,  
You walked into my life,  
Can't get you off my mind

Ever since the day,  
You walked into my life,  
Can't get you off my mind

See, I'll always be here,  
No matter how far or near  
I'll give my lovin' to you,  
As long as you'll be true

No man can tear us apart,  
You hold a place in my heart  
And I'll keep it coming on strong,  
But, baby, don't you do me wrong

Ever since the day,  
You walked into my life,  
Can't get you off my mind

Ever since the day,  
You walked into my life,  
Can't get you off my mind
