"Be Mine"

Cool like a wave
Wash all my trouble away
Magnetically
Push me away
Pull me back in again

[Chorus]

I've got a fever that's burning in me
Blood rush like a drug, how so naturally
I am stuck on you like an old melody
Be my baby

Warm like a breeze
Summertime north-westerly
Heat on my skin
Right down to the bone
Draw me back in again

[Chorus]

I've got a fever that's burning in me
Blood rush like a drug, how so naturally
I am stuck on you like an old melody
Be my baby
Be my baby

Fall into me
Fall into me
Fall into me
Fall into me
Fall into me
Fall into me

Fall into me (Be mine)
Fall into me (Be mine)
Fall into me (Be mine)
Fall into me (Be mine)
Fall into me (Be mine)
Fall into me (Be mine)

[Chorus]

I've got a fever that's burning in me

Blood rush like a drug , how so naturally
I am stuck on you like an old melody
Be my baby

[Chorus]

Addicted to you so I act recklessly
I'm gonna need me a strong remedy
You're in my head like an old melody
Be my baby
Be my baby
Be my baby
Be my baby
