Don't leave me here  
Without you, I'm next to nothing  
A shell of myself  
I don't breathe properly  
It catches in my chest  
I hold my breath  
I'm waiting on you

[Chorus]  
Constantly, shame on me  
Come hell or high water  
You're gonna be mine like you oughta be  
I decided, won't be denied it  
You're gonna be mine  
Come hell or high, high, high water  
Yeah, yeah

Don't act ignorant  
I know you know I know  
You're good at hiding it  
I'll give you that  
But I guessed, it's obvious  
You feel the way I do  
Denying it won't do you any good

[Chorus]  
You enjoy playing coy  
But come hell or high water  
You're gonna be mine like you oughta be  
You'll come around, I'm breaking you down  
You're gonna be mine  
Come hell or high, high, high water  
Yeah, yeah

[Instrumental]

[Chorus]  
You enjoy playing coy  
But come hell or high water  
You're gonna be mine like you oughta be  
You'll come around, I'm breaking you down

You're gonna be mine  
Come hell or high, high, high water  
Yeah, yeah  
Yeah, yeah
