You used to say
We have nothing left to say
We've been down this road
Ooh, many, many times before
And I'm sick to death of throwing up my arms

I know your charms
I've seen them work on so many girls
You have a style
That knocks them right off of their feet
And I'm wondering why I ever needed you

[Chorus]
But I don't really care
If I owe you money
If I have to walk
'Cause you got my car
I don't really care
I just think it's funny
That you complained so loud
All my friends go ahhh, ahhh

Morning has come
I wake up to the sound of no one
Memory lane
Is such a stupid solitary game
But I'm wondering what you're listening to right now

[Chorus]
I don't really care
If I owe you money
If I have to walk
'Cause you got my car
I don't really care
I just think it's funny
That you complained so loud
All my friends go ahhh, ahhh

It's not that I'm missing you
The annoying things you do
I'm just used to

Why train up someone new
Takes up all my time
And I'm not getting younger
And I'm not getting younger

[Chorus]
But I don't really care
If I owe you money
If I have to walk
'Cause you got my car
I don't really care
I just think it's funny
That you complained so loud
All my friends go ahhh, ahhh, ahhh, ahhh
