No one should ever mean to hurt someone  
Blow you away just like a hidden bomb  
No pointing fingers laying blame because  
It can happen to the best of us

What's a poor girl to do  
When she's got the devil blues

[Chorus]  
It's an honest mistake  
One we all make  
And we're happy  
We're happy to

It's only logical to be afraid  
Of what it is that makes you tick this way  
Oh, no one's judging you for playing brave  
We're all too busy in our everyday

What's a poor girl to do  
When she's got the devil blues

[Chorus]  
It's an honest mistake  
One we all make  
And we're happy  
We're happy to  
We're so happy  
We're happy to

You're what  
You're what  
You're what I need  
You're what  
You're what  
You're what I need

[Chorus]  
It's an honest mistake  
One we all make  
And we're happy

We're happy to

Now what's a poor girl to do  
When she's got it bad for you

[Chorus]

It's an honest mistake

Easy to make

And I'm happy

I'm happy to

Happy

I'm happy to

Happy

I'm happy to
