Right now I'm home, embrace me in your shelter
Strip me down, and you can't offend me
So leave me soundly sleeping
You take away all of the yesterdays
The ones that were not mine
You give me all I need
You take my breath away
And every time I find

[Chorus]

You give me sweet peace of mind
You give me sweet peace of mind
You give me sweet peace of mind
You give me sweet peace of mind

Soft like a feather bed, I'm wrapped in your smile
Take in this refugee to rest for a while
Here is where my heart is
Here is where I feel blessed
Calm and at ease
Now how can I even begin
To thank you for harbouring
Someone like me

[Chorus]

You give me sweet peace of mind
You give me sweet peace of mind
You give me sweet peace of mind
You give me sweet peace of mind

[Instrumental]

[Chorus]

You give me sweet peace of mind
You give me sweet peace of mind
You give me sweet peace of mind
You give me sweet peace of mind
