All these sleepless nights  
I feel like a failure in your eyes  
Stuck in a life I'm not sure is mine  
The memory of you is slipping  
There are some nights  
The weight of you seems to divide my dreams  
I always thought I was happy with you  
But the memory of our love is slipping

[Chorus]

I made a mess of my life, oh  
My heart was falling down, down  
If I could reinvent the love, you'll see  
Something's happening to me  
Ooh, ooh, ooh  
Ooh, ooh, ooh

Morning brings that sound  
The rest of the day I have to groove  
I had a dream I found my way  
And you were nowhere to be seen  
My heart is stuck in a race  
Who comes first, you or me  
I wish it wasn't hard to say goodbye  
The sadness in my heart would never die

[Chorus]

I made a mess of my life, oh  
My heart is falling down, down  
If I could reinvent the love, you'll see  
Something's happening to me  
Ooh, ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh, ooh

I wish it wasn't hard to say goodbye  
The sadness in my heart will never die

Ooh, ooh, ooh

[Chorus]

Oh, I made a mess of my life, oh  
My heart is falling down, down  
If I could reinvent the love, you'll see  
Something's happening to me  
Ooh, ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh, ooh
