"Walk Away"

Oh, I know that I'm no angel
But I do the best I can
But I'm not gonna be the one to walk away
I will be forever hopeful
In my head I hope and pray
But if I'm to be the one to say it, I will

[Chorus]
I wouldn't wanna say that I will change
I shouldn't have to say that you should stay
I won't give you anything in vain
So you should walk away

Oh, this devil on my shoulder
He knows how hard I try
I fight him off each morning, noon and night
Oh, I've learnt my lessons
Oh, I've done what I can
Oh, I've walked these steps of reason, I'm there

[Chorus]
I wouldn't wanna say that I will change
I wouldn't wanna say that you should stay
If I won't give you anything in vain
You need to wanna be here, all the same

[Chorus]
I wouldn't wanna say that I will change
I wouldn't wanna say that you should stay
If I won't give you anything in vain
So you should walk away
You should walk away
