May I! may I!

May I, may I

May I be your boy

May I speak with you

May I bring you joy

Girl I've been searching

May I, may I, may I, may I

Touch your hand in mine

Such a thrill divine

Girl I've been searching for someone like you

Well I've said everything that I can say

Done everything that I can do

For you girl

Yes I have

So in love with you

May I, may I, may I, may I

Touch your hand in mine

Such a thrill divine

Girl I've been searching for someone like you

I'm gonna walk with you

Girl I'm gonna talk with you

I'm gonna be your boy

I'm gonna bring you joy

(Fade out while singing may I, may I
