What kind of fool do you think I am

You think you can go and see [...unclear]

Darling after we made our plans

You said I'd be your number one man

What kind of fool (Do you think I am?)

Do you think I am now (Do you think I am?)

What kind of fool did you think I'd be

You said you really really loved me

Darling you run around all over town

You build me up then you let me down

What kind of fool (Do you think I am?)

Do you think I am now? (Do you think I am?)

I ain't gonna be your second choice

I've got to be your number one

Or I ain't gonna love you at all

Darling you run around all over town

You build me up then you let me down

What kind of fool (Do you think I am?)

Do you think I am now (Do you think I am?)

(Do you) Think I am?

Darling you can't think that

Darling I'm no fool

What kind of foo-oo-ool
