(Chorus)

No, I can't be/ Mr. Righteous
For the rest of my life (I'm)
Turning to the bad side

(Verse)

I played the game, and I
Lost my way, and I
Riskyed it all
Now it's balls to the wall

Just a middle class workin man
Livin by a holy hand
Never stopped to think that I am livin in another's land

Righteous, lifeless, timeless, I'm just
Givin it my all when the Balog's call
And it's, hard to think that I have sold my soul
And I'm thinkin bout the things that made me switch the
role

I'm a bad boy of sorts when I used to be so innocent
Right about now I am feelin like i'm in again
Born again, hooligan
And if you can't take it, you can kiss my ass bitch

(Chorus) x4
