(It's Okay) 2x

(Verse 1 - J.Black)

(Real talk I used to sit up in the crib I was just a little kid
doing homework
ADHD like a motherfucker zoned out knowing it was
gon work)

Real talk I used to sit up in the crib I was just a little kid
doing homework
ADHD like a motherfucker zoned out knowing it was
gon' work
nigga i was practicing my autograph, making my
momma laugh
for thinking I'm gonna rap get famous n all of that
13 and I had my momma bitchin
bout them 3way calls to two of my main niggas
...calling n spitting writtens it was Charlie n Shane
still chasing the same dream u should call me insane
cuz I is, n I know, but I'm meant, for this dough
and these haters could never see me
until I'm stuck on they TV I'm good
sick letting life distract me from myself I know this
passion for this rapping brings a path that ends in
wealth n prosperity
yall aint hearing me.... but u could take a seat n watch if
u care to see that i got

(Hook - J.Black)

Thoughts in my mind that I'm meant for more, but the
real world telling me I'm crazy
in this race with my team just chasing these dreams
while u at home chilling wit your baby
its okayyyyyyyyyyy, my nigga its alrighthttttt
im saying its okayyyyyyy my nigga its alrighthttttttt
i swear yall couldn't understand

(Verse 2 - Shane Carter)

The way I live my life.... It's like I'm dying to be famous
And now a days it's like you got to die to become
famous

You never got your weight up, you fucking levitators
Now im eatin while im laughin at you fuckin player
haters
I be rolling up like Kano, This that Mortal Kombat
You dressing like a cholo hoe, where the fuck your style
at
They be swagger jacking everybody screaming YOLO
but you only young once so my niggas repping YOYO
We tipsy off the brown, red bull, Dixie solo
God damn it I'll be damned if you aint catch me in a
Polo
sitting lowlow looking loco, put that toto in a chokehold
cup of coffee, couple No Doze swear to God we meant
for more though
I speed it up getting weeded up, run this track like a
speeding truck
motherfuck a sucker bitch ease it up, bros over hoes
we don't feed the slut
You see the thang then hear the bang
OT OZs due today (?)
you talking it and we do the thing
O-F-G-H we the gang

(Hook - J.Black)

Thoughts in my mind that I'm meant for more, but the
real world telling me I'm crazy
in this race with my team just chasing these dreams
while u at home chilling wit your baby
its okayyyyyyyyyyy, my nigga its alrightttttt
im saying its okayyyyyy my nigga its alrightttttttt
i swear yall couldn't understand

(Verse 3 - J.Black)
