What the fuck is up  
I'm here to set shit straight  
That I don't give a fuck about what you say  
I'm not the same person I used to be  
I have changed and this is the new me  
This is the new us  
4 years strong  
And not a sign of letting up  
This is the new us  
We have come so far to let this go  
We have worked so hard to let this go  
We will keep our eyes to the sky  
This is what we live for  
This is all we know  
The life we sacrificed  
This is what we have to show
