[Fergie] We can dance, dance, dance Clap your hands,  
hands, hands All night, if you're in the mood Do what  
you wanna do All night long Happy days are here So  
leave your cares behind Just relax your mind It's so  
easy to do it Just enjoy yourself If the feeling's right Get  
your groove on tonight Take your time tonight  
Everything's alright Ain't nothin' but a party We can  
dance, dance, dance Clap your hands, hands, hands  
All night, if you're in the mood Do what you wanna do  
All night long Get up on the floor Don't worry 'bout a  
thing The rhythm's got you now So come on, get into it  
Just enjoy yourself If the feeling's right Get your groove  
on tonight Take your time tonight Everything's alright  
Ain't nothin' but a party We can dance, dance, dance  
Clap your hands, hands, hands All night, if you're in the  
mood Do what you wanna do All night long Have a  
good time (uh huh) Lay back, relax (free) Just free your  
mind Let the music take control of you [Puff Daddy] If  
it's a hit then I musta did it If it's not then I wasn't with it
