I want her to feel it in her chest I want her to feel it in
her soul I want her to lose control Mary, talk to 'em
[Mary J. Blige] I Yeah I You takin' a part of me That I
cannot set free See me lettin' go No this ain't the time I
got too much livin' to do And I can't lose it over you So
give me the flow I'll get my swagger goin' I'll say this is
the year for me You makin it so damn hard for me to
love you You makin it so damn hard for me to love you
You makin it so damn hard for me to love you You
makin it so damn hard for me to love you [Diddy] I
know I make it hard to love me But trust me I could take
you to places that you ain't never been Put you in purple
labels and that ferroin Get your name engraved on a
weaderin I'ma love you better More than I ever did
Cause baby girl listen since you been here with me
can't even lie See the rider and your ambition Providin'
me with the fire when you wet and drippin' Mama if you
see if you different Go 'head and get it and I ain't
sayin' if you leave me it'd be better but me and you
together honey we could do whatever let's do it I made
it hard I admit it it's true I need to hear somethin' I'm
listenin' boo [Mary J. Blige] Make that sure things that
do I'm prepared to take it there for you Your lovin'
kissin' It's amazin' but it ain't enough So I keep askin' I
stay around For one, split the cheese Admire it for what
it is [Diddy] I know I'm hard to love Let's rock [Mary J.
Blige] You makin it so damn hard for me to love you
You makin it so damn hard for me to love you You
makin it so damn hard for me to love you You makin it
so damn hard for me to love you You makin it so damn
hard for me to love you You makin it so damn hard for
me to love you You makin it so damn hard for me to
love you You makin it so damn hard for me to love you
[Diddy] Lemme talk to you one more time girl You
always sayin' that I don't want you to hurt You always
complainin' but I was makin' it worse Besides all the
games that I's kickin' at first It's time to explain My
mind's been in reverse But now I think back when
nobody cared And you was there just to roll by your
man And came back Even know what I did I realize and
I'm aware I know what it is Put that on everything Girl

you my everything I don't know where I'd be cause you
the air I be If lovin' is wrong who could be right I
wouldn't know what to do without you in my life You're
more to me than the world I pray The more nights for
your heart to break Right in the middle of the dawn of
day I think of all the pain I caused and throw it away
and say I need you in my life can you feel it in your soul
[Mary J. Blige] You makin it so damn hard for me to
love you You makin it so damn hard for me to love you
You makin it so damn hard for me to love you You
makin it so damn hard for me to love you [Diddy] I
know it's hard to love me that don't mean I don't love
you Hey rich I love the way you got Harlem singin' Mary
take us home [Mary J. Blige] You makin it so damn hard
for me to love you You makin it so damn hard for me to
love you You makin it so damn hard for me to love you
You makin it so damn hard for me to love you [Diddy]
She the queen of hip-hop soul [Mary J. Blige] Yeah You
