You've got pretty strange taste in music But thats okay
because I'm kinda getting used to it Sometimes I
pretend not to like it when I actually do But thats just
because it's so fun to disagree with you I know you like
it too Arguing the whole day through Moods up and
down like a kangaroo And thats why I love you. And
even when you lose all your hair And you start to droop
and drag in silly places You know I'm gonna be there
Cuz I like that you're crazy Cuz I'm kinda' lazy And I
think that just maybe you might be perfect for me.
Sometimes when you wake up you've got hair in your
make up So I'll take a picture just so we can laugh
about it later Then I'll say I'm gonna post it when I know
I really never would Cuz it's so fun to scare you
everyone should try they really should I know you like it
to -Scaring me so bad I have ta take a- But even if you
did you know I wouldn't think it was gross And thats
why I love you. And even when you lose all your hair
And you start to droop and drag in silly places You
know I'm gonna be there Cuz I like that you're crazy Cuz
I'm kinda lazy And I think that just maybe you might be
perfect for me. Perfect for me Perfect for
meeeeeeeeeeeeeeeeeeeee!
