I will build you a castle with a tower so high  
It reaches the moon  
I'll gather melodies from the birdies that fly  
And compose you a tune

Give you lovin'  
Warm as mama's oven  
And if that don't do  
Then I'll try something new, hey, baby

I will take you away with me as far as I can  
To Venus or Mars  
There we will love with your hand in my hand  
King and Queen of the stars

Oh, and every day we can play  
On the Milky Way  
And if that don't do  
Then I'll try something new, ho

If you bring me a flower from the floor of the sea  
To wear in my wear  
I'll do anything and everything to keep you happy  
Boy, to show you that I care

I'll pretend I'm jealous now  
Just like the fellas, baby  
If that don't do  
Then I'll try something new

I'll take the stars and count them and  
Move a mountain and  
If that don't do  
I'll try something new

I'll land the moon above  
Although it's you that I love  
And baby, if it don't do  
I'm gonna try something new

And darling, if at first I don't succeed  
Try again, that's what I'll do

Always try something else  
Always try something that's new

Now if at first I don't succeed  
Try again, that's what I'll do  
Always try something else  
Always try something that's new

I love you, baby  
Yeah
