A legacy so far removed  
One day will be improved  
Eternal rights we left behind  
We were the better kind  
Two the same - set free too  
I always looked to you.  
We fought for good - stood side by side  
Our friendship never died  
On stranger waves - the lows and highs  
Our vision touched the skies  
Immortalists with points to prove  
I put my trust in you.  
A house somewhere on foreign soil  
Where ageing lovers call  
Is this your goal - your final needs?  
Where dogs and vultures eat  
Committed still, I turn to go  
I put my trust in you.  
In you, in you, in you  
Put my trust in you, in you
