This is the room, the start of it all  
No portraits so fine, only sheets on the wall  
I've seen the nights,  
filled with bloodsports in vain  
And the body is obtained  
Where will it end? (4)  
These are your friends,  
from childhood for you  
Who goaded you on demanded  
full proof  
Withdraw maiden's heart,  
and do you right in  
So distorted and thin, distorted and thin  
Where will it end? (4)  
This is the car, at the edge of the road  
There's nothing disturbed,  
all the windows are closed  
I guess you were right,  
when we talked in the heat  
There's no room for the weak  
no room for the weak

Where will it end? (4)

This is the room, the start of it all

Dreamt I fled from you,

I remember it all

Oh I've seen the nights, filled with

bloodsport in vain

And the body's obtained, the body's obtained

Where will it end? (4)
